Dear Friend:

CASA of Cameron and Willacy Counties, Inc. is a 501 C (3) organization that is dedicated to advocate for abused and neglected children who are currently in the foster care system. CASA volunteer advocates are here to serve as their independent voice to ensure their voice is heard and advocate for their best interest. Help us speak up for a child in foster care.

Strong civil minded friends like you are the key to our success and will make it possible for CASA of Cameron and Willacy Counties to continue to provide services to the children that through no fault of their own find themselves in the foster care system. We need your support at this time.

CASA Gran Chalupa is taking place on Sunday, September 17, 2017 at Magic Party Place located 3254 Boca Chica Blvd, Suite N, Brownsville, Texas. In order to ensure the success of this important fundraiser, we are seeking contributions to help defray the costs associated with this event so that all funds raised can go directly towards volunteer advocacy services.

We have the following sponsorship structure of which we hope you can contribute at the highest level. Your involvement will be promoted and championed. Community involvement by prominent people such as you will ensure our children do not slip through the cracks and never stand alone in court.
